The main poster features a young girl with a ponytail, wearing a red shirt and denim overalls, sitting on a small, circular patch of green grass that floats in the air. She is holding a telescope to her eye, looking towards the right. The background is a soft-focus sky with white clouds and a faint, glowing network of white lines connecting various points, suggesting a digital or architectural theme. The overall color palette is light and airy, with greens, blues, and greys.
